Welcome back to another exciting school year here at the Able Enrichment Centre. As always, we strive to provide a progressive and nurturing environment within which students may enrich their education.

1. Due to construction and renovations at SJR this year, some of our classes have been relocated and students will be using an alternative route to reach their classrooms. Signs have been posted and we will have teachers assigned to guide students to class for the first couple weeks.
2. Students may proceed directly to their classes upon entering the school. Parents who remain must sign in at the security desk. This is a safety regulation; there are no exceptions. Only students and teachers are permitted into the hallways and classrooms. Parents must remain within the main foyer or waiting area.
3. Students are reminded to not touch anything in the desks or lockers. Any such instances are considered theft or vandalism and will be dealt with accordingly. Should a student require any school supplies, they should ask the teacher or the office can supply some.
4. SJR is a smoke and peanut-free campus. Parents and guardians are reminded to please not smoke on school premises. Any snacks brought to the school must also be free of any nuts.
5. There are no classes on Sept 21<sup>st</sup>, Oct 12<sup>th</sup> and Nov 9<sup>th</sup>. The final day of first term classes is Dec 14<sup>th</sup>. full calendar is available on the website and is also printed on the back of this newsletter. Second term begins Jan 4<sup>th</sup>.
6. For the sake of maintaining safe traffic flow during drop-off/pickup, please enter via the entrance on South Drive and exit via North Drive (travel in a counter-clockwise circle). The loop in front of the school is used for drop off and pickup only; it is a fire lane so parking is not permitted. Parking is available next to the school by the arena. Driving/parking instructions as well as maps are available on the website.
7. Students are permitted outside for recess (weather permitting) within the boundaries of the play structures and basketball court, as well as Rousseau Hall on the second floor. Access within the school is restricted to the hallways within which the classes are located, plus Rousseau Hall. Everywhere else is closed to public access. Parents may wait in the Robinson-Wolinsky hall next to the security desk and are not permitted into the hallways or classrooms
8. Classes run from 2:00 pm to 4:15 pm. The school is locked down at 4:30 pm after classes are dismissed. Parents are reminded to please drop off and pickup their children punctually.
