*17 February 2018*

1. We apologize for the short notice regarding the January 20 cancellation. In order to make up for the lost week, our regular year program will be extended until Saturday June 23. An updated calendar is printed on the back of this newsletter.
2. Early registrations for the 2018-19 year will open in late May. We will send out another newsletter at that time. Fees will be \$360 for the year (term payment options are available). We only accept cash or cheque payments.

Forms may also be picked up from the office at any point before the end of the year, and are also available on our website at [[www.ablemath.ca](http://www.ablemath.ca)]. Completed forms and payment may also be submitted to the office before the end of the year. Next year's calendar are not yet available, but will be distributed to the students and made available on our website when finalized.

3. Reminder that we have **no class on February 24**, and that final day of classes for second term will be March 24. There will be a one week break and third term will begin on April 7.

If you have any questions or comments, please feel free to contact me via email. Regards,

Nathan Lee, M.Sc.  
Principal - Able Enrichment Centre
